### Lobbies

You'll notice a few changes in our lobby procedures for the safety and protection of members, staff, and the community.

- Clear plexiglass shields have been installed at each teller window.
- Changes have been made to the lobby and offices to promote social distancing when staff are serving members, so longer wait times may occur for walk-in traffic for non-standard services.
- Distance markers have been placed on the lobby floors as a reminder to maintain 6 feet from your fellow members.
- Coffee, water, magazines, and toys have been removed from the lobbies for now.
- Public restrooms will not be available for use at this time.
- Lobby capacity will be restricted by the use of floor markers. If you do not see an open floor marker to stand on, please wait outside or in your vehicle until a member exits the lobby.
- We ask that parties entering the lobby are limited to two or less.
- Sanitizing stations have been installed in the lobby for your convenience.
- Staff will be disinfecting surfaces frequently.
- [Appointments](#) are recommended for any non-standard service, such as loans, notary service, lockbox, or new accounts.
- Members are encouraged to wear a face-covering. If you do not wish to wear a face covering, please consider using the drive-thru.
- Members may be asked to briefly remove their face covering for identification purposes.
